**The Suffolk Center for Cultural Arts announces
The Suffolk Center Children's Chorus!
January 16th to May 15th on Tuesday evenings, 5:30-6:30pm**

Children from ages of seven to seventeen will have the opportunity to use their voices to create beautiful, harmonious music. Allow your student to be a part of an ensemble that will challenge them as well as grow them as people and as lovers of music. The children will learn to work with others, identifying different pitches, learning how to read music, as well as learning proper vocal techniques. The director, Gavin Harper, Education Manager at the Suffolk Center, has a background in directing choirs, including students, University students, and adults.

The Suffolk Center chorus will perform at venues in the community as well as at the Suffolk Center. Join us as we begin to create music and spark the artistic side of the next generation.

Registration fee: \$10 per student + **Participation fee:** \$65
