## Students to Sample Instruments at Music Camp

New to the Suffolk Center for Cultural Arts this summer is Music Sampler Camp, July 17-21 for grades 3-8.

“Students do not need to be able to read music or have musical experience to attend Music Camp,” noted Megan Thorne, Education Manager. “During the week, campers will sample five different instruments in addition to participating in vocal music.”

Small group instruction will be part of each day along with helping campers develop proper techniques to create the correct sounds from their instruments. Daily activities also include theory and rhythm games and learning proper practice skills. Listening, analyzing, and discussing techniques of famous musicians are also part of the curriculum.

Camp instructors are from the Suffolk Center’s music program and Suffolk Public Schools. Mosaic Steel Orchestra will provide steel drum instruction.

A limited number of scholarships are available; a written application must be completed. Camp is from 9:00 a.m. to 4:30 p.m. each day. Campers will need to bring a bag lunch, but healthy snacks will be provided.

Registration can be done by telephone or in person through July 14. For more information, contact Megan Thorne at [megan.thorne@suffolkcenter.org](mailto:megan.thorne@suffolkcenter.org) or 923-0003.
