

A Place for the Arts

Creative expressions come in many forms, pottery, painting, fiber art, photography, etc.

A Place to Experience

Since our opening, the Suffolk Center has educated, entertained, and enlightened thousands of guests through outstanding performances, visual and performing arts classes, workshops,

gallery exhibits, and special events. None of this would be possible without the support of our members!

Suffolk Center Membership

Supporting Arts Education and Community Outreach

Because of our extraordinary members, we can offer visual and performing arts classes, summer camps, workshops and gallery exhibits.

Our members make it possible for us to partner with schools to enhance the education of our children with quality field trips to the Center and in-school art programs tied directly to SOLs.

Without our members, we could not bring outstanding entertainment to our corner of Western Tidewater, including our own local rising stars.

People from all walks of life are coming together to broaden their cultural horizons and bringing a diversity of ages and life experiences that enrich us all and would not be possible without the support of our members!

Membership Matters!

Your support through membership is a gift to the entire community – from students to seniors, brides to business owners. Suffolk Center members have made it possible for thousands of people to enjoy top-rated performances and experience creative expression in many forms. We could not do what we do without our members!

Memberships make great gifts!

Thank you for investing in your community!
